

Eppendorf Purchasing Programme

Focus on the science. We take care of the rest!

You want to advance health, sustainability and the economy through world-class biotech innovation. We can help you with all the questions you may have: How can I increase productivity? Which instrument is best suited to my applications? How can I make my lab more sustainable? To make your life in the lab a little easier and give you peace of mind, hollandbio and Eppendorf have teamed up to create an exclusive purchasing program to help you focus on your research while we take care of the rest.

Get exclusive offers and save up to 35% on selected products*

- > CO₂ and Shaking Incubators
- > Ultra Low Temperature Freezers
- > PCR Cyclers
- > And more
